March 18, 2017

Dear Marketing Managers,

Toledo Ohio has a 28 year sister city relationship with Szeged Hungary and Lucas County has a 18 year sister county relationship with Csongrad County, Hungary. Many exchanges have taken place during this time to advance education, health and much more (see facebook.com). Some exchanges include Szeged University students coming to University of Toledo for Pharmacy Education and Law School Education. University of Toledo students are studying at Szeged University also.

We have been invited to participate in this years Sister City Bridge Festival in Szeged Hungary which is also the birthday of the city of Szeged. I will be traveling to Szeged Hungary as a delegate of the Toledo Szeged Sister City Committee to represent Toledo along with four other members of the committee to operate an information booth for two days, May 20 and 21, 2017. During that time, we will distribute Toledo, Ohio souvenirs just as we did in May 2014 and May 2016. There will be 18 other sister cities attending, all from nearby European countries (Nice France, Montenegro, Parma Italy, etc.) We will be representing the United States as well as Toledo, Ohio.

With the short notice of a "Toledo Booth", we are now collecting items to pass out promoting Toledo such as t-shirts, lanyards, pens, pencils, luggage tags, or any other small items you may have available. Since we have such a short time to collect and ship these items overseas, we are especially interested in light weight items to defray the cost of shipping. Books and pamphlets are far too heavy as we have learned.

This festival will be attended by 40,000 people. If you choose to make a donation, any amount you could sponsor would be appreciated. Your name and logo will be listed on the wall of the booth as a sponsor. Your donation is tax deductible. I can pick up items when they are ready or they could be mailed. Please call or email me. Shipping will take place at the end of April.

Tax Id: 81-0635522

Sincerely,
Hilde Scherlein-Daugherty
